

COVID-19 Safety Plan

Effective 30 August 2020

Places of worship

We've developed this COVID-19 Safety Plan to help you create and maintain a safe environment for you, your workers and your congregants.

Complete this plan in consultation with your workers, then share it with them. This will help slow the spread of COVID-19 and reassure your congregants that they can safely visit your business. You may need to update the plan in the future, as restrictions and advice changes – you can make changes to the plan if you've printed or saved it, or you can choose to download and create a new version of the plan.

Businesses must follow the current COVID-19 Public Health Orders, and also manage risks to staff and other people in accordance with Work Health and Safety laws. For more information and specific advice for your industry go to nsw.gov.au

BUSINESS DETAILS

Business name:	Sydney Christian Fellowship ("SCF")
Plan completed by:	The SCF Sub-Committee (David Thompson, Andrew Lawless, Steve Jacob)
Approved by:	Steve Jacob (WHS Co-ordinator)

SCOPE

This plan covers the following:	
Facility:	24/157 Airs Rd, Leumeah only.
Activities:	Congregational meetings such as Communion Services and Youth Meetings at the stated facility. For Office Work at the facility, please refer to the separate COVID-19 Office Safety Plan.

This plan will be updated as soon as practical after any restrictions or regulations pertinent to it change.

REQUIREMENTS FOR BUSINESS

Requirements for your workplace and the actions you will put in place to keep your congregants and workers safe

A. Wellbeing of staff and congregants	
Requirements	Actions
1. Exclude staff and congregants who are unwell from the premises.	Attendees presenting with symptoms will be requested to return home. Display Australian Government "Let's be safe together" Poster at both entrances.
2. Provide staff with information and training on COVID-19, including when to get tested, physical distancing and cleaning.	Staff have been provided with this.
3. Make staff aware of their leave entitlements if they are sick or required to self-isolate.	Staff have been made aware.
4. Display conditions of entry (website, social media, venue entry).	Display Australian Government "Let's be safe together" Poster at both entrances, along with an indication of the maximum number of people based on 4sqm rule
5. Consider offering online services or alternative arrangements for people in high-risk categories (e.g. over 70 years).	Zoom meetings and live-stream services have been established for all congregants. Where this is not suitable for older persons, conduct a risk assessment considering the origins of guests, the level of community transmissions in their areas of origin, and the incidence of COVID- positive cases that may impact on any guests attending.
6. Ensure COVID-19 Safety Plans are in place, where relevant, for: <ul style="list-style-type: none"> • Community centres and halls (if hiring out premises). • Conference and function venues. • Weddings • Funerals 	The facility will not be made available for public hire or other functions apart from those noted herein.

B. Physical Distancing	
Requirements	Actions
1. Capacity must not exceed 100 people, or one visitor per 4 square metres of space (excluding staff), whichever is the lesser.	Limit the number of persons in the downstairs area to 90 plus 5 essential persons conducting the service. A notice on this capacity shall be posted at the two entries to the facility.
2. Group singing, or chanting is particularly high risk and so should continue to be avoided.	Singing will be from the stage only, ensuring the first row of seating is at least 3.0 metres from the edge of the stage. Group 'singing' in the congregation will be limited to a very low volume in spoken tones or humming only, ensuring physical distancing for those from different households. The COVID Safety Marshall will monitor for anything occurring outside these parameters.

<p>3. Wedding services can have a maximum capacity of 150 people, and funeral services can have a maximum capacity of 100 people. See the NSW Government website for wedding and funeral service COVID-19 Safety Plans.</p>	<p>These capacity and distancing guidelines can be met with the current space and seating arrangements; however, no such services are planned for this facility in the foreseeable future.</p>
<p>4. Move or remove tables and seating as required, where possible. Household or other close contacts do not need to physically distance.</p>	<p>In the main auditorium: Seating rows separated by $\geq 1.5\text{m}$. Different households seated are separated by $\geq 1.5\text{m}$.</p>
<p>5. Reduce crowding wherever possible and promote physical distancing.</p>	<p>The COVID Safety Marshall, Chief Warden and Meeting Host tasked to remain vigilant and advise and remind congregants of proper protocols and social distancing. Foyer area to be monitored especially as it may be a bottle-neck. Toilet facilities to be monitored separately.</p>
<p>6. Where reasonably practical, ensure staff maintain 1.5 metres physical distancing at all times, including at meal breaks and in offices or meeting rooms.</p>	<p>Stage setup and pre-meeting planning sessions to maintain this requirement.</p>
<p>7. Use telephone or video for essential meetings where practical.</p>	<p>Relevant meetings (and services) are being conducted via video and have been since 29 March 2020 onwards.</p>
<p>8. Review regular deliveries and request contactless delivery and invoicing where practical.</p>	<p>Reviewed via the Office Administration team.</p>
<p>9. Have strategies in place to manage gatherings that may occur immediately outside the premises, such as at the conclusion of services. This may involve suspending or adjusting the practise of greeting congregants as they arrive or depart to ensure appropriate physical distancing.</p>	<p>Upstairs area made off-limits to congregation. The appointed COVID Safety Marshall, Chief Warden and Meeting Host are tasked to remain vigilant and advise and reminder congregants of proper protocols and social distancing. Door Hosts will refrain from physical greeting and will wear masks.</p>
<p>10. Coordinate with public transport, where reasonably practical, around strategies to minimise COVID-19 risks associated with transportation to and from the venue if crowding on public transport may occur.</p>	<p>Public transport is not a commonly employed method of transport to and from Leumeah services. Those known to use that mode from time to time will be consulted prior to meetings to discuss whether alternative arrangements can be made.</p>
<p>11. Take measures to ensure drivers of courtesy vehicles minimise close contact with passengers where possible.</p>	<p>Not applicable. Courtesy vehicles not in use.</p>
<p>12. Solo singing and wind instruments can spread COVID-19 if a participant is infected. Additional planning around these activities should be undertaken from a work health and safety perspective, including ensuring 3 metres distance from the audience</p>	<p>Selection of instruments to exclude wind and brass. Singing will be from the stage only, ensuring the first row of seating is at least 3.0 metres from the edge of the stage.</p>
<p>13. Education programs should be conducted in accordance with the NSW Government guidelines on Schools and Childcare. Students do not need to follow strict adult physical distancing guidelines but should follow good hygiene practices. Staff should continue to maintain 1.5m physical distancing from students where practical.</p>	<p>All group teaching sessions of children and teenagers to be suspended until further notice. Note that there are a few 17-year old's in the young adults' program and our Child Protection Policy applies.</p>

C. Hygiene and Cleaning	
Requirements	Actions
1. Adopt good hand hygiene practices.	Notices posted in all toilets / bathrooms / mothers' room and in general areas. Hand sanitiser provided at entry/exit points and also in main hospitality/foyer and office areas. Door hosts draw attention to sanitiser.
2. Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers.	All bathrooms are well stocked and cleaning teams briefed to ensure suitable levels.
3. Consider modifying religious rites or rituals to avoid direct contact where practical. Where this is not practical, ensure hands are washed before and after each interaction with soap and water or hand sanitiser.	Communion elements to be provided by each household and not to be shared.
4. Avoid sharing books, drinking cups or other shared objects used during the service such as collection plates. Also consider putting barriers around frequently touched objects of worship, such as shrines, relics or fonts, to prevent people frequently touching these.	Refrain from use of offering bags, tithe boxes, tithe envelopes. No cash counting to be conducted. Electronic giving encouraged.
5. Clean frequently used indoor hard surface areas (including children's play areas) at least daily with detergent or disinfectant. Clean frequently touched areas and surfaces several times per day.	All surfaces (including sound desk, lectern & piano, if used) disinfected prior to meeting.
6. Disinfectant solutions need to be maintained at an appropriate strength and used in accordance with the manufacturers' instructions.	Disinfectants are used as a matter of normal practise.
7. Staff are to wear gloves when cleaning and wash hands thoroughly before and after with soap and water.	Trained cleaning teams rostered.

D. Record Keeping	
Requirements	Actions
1. Keep a record of name and a mobile number or email address for all staff, volunteers, visitors and contractors for a period of at least 28 days. For households, one contact is sufficient to support contact tracing. Ensure records are used only for the purposes of tracing COVID-19 infections and are stored confidentially and securely.	Door hosts & ushers to record attendance of each guest (and those not registered in our on-line system) on prepared register, capturing those details required under the current guidelines – no sharing of pens, clipboards, etc. Attendance records for all staff and congregants to church will be completed, lodged with the Administration team and filed.
2. Make your staff aware of the COVIDSafe app and its benefits through nsw.gov.au.	Staff are aware and have been encouraged to download the app

E. Other Notes (In line with but not noted in the NSW Guidelines.)	
Area	Actions
1. Wellbeing of Congregant and Visitor - Awareness	Communicate measures and meeting variations to attendees before and during service.
2. Wellbeing of Congregant and Visitor – Other Vectors of Transmission (for any meetings)	<p>Morning tea cancelled.</p> <p>Kitchen facility not used and out of bounds.</p> <p>Communion elements to be provided by each household and not to be shared.</p> <p>Water dispenser made unavailable and packed away. Coffee machines not used and to be covered.</p> <p>A supply of face masks will be provided at any service conducted.</p> <p>Suitable temperature-checking equipment will be on hand to allow a temperature check of any visitor or congregant to be undertaken should the need arise.</p>
3. Wellbeing of Congregant and Visitor – Other Vectors of Transmission (for any meetings) Transmission via other commonly handled means: offering bags, tithe boxes.	Refrain from use of offering bags, Tithe boxes, tithe envelopes. No cash counting to be conducted. Electronic giving encouraged.

IMPORTANT NOTES/LOG

Important dates/notes
